SUSTENTABILIDADE

Responsabilidade ambiental, é uma preocupação que nos motivou para certificação e promoção de produtos ambientalmente responsáveis com certificação FSC® (Forest Stewardship Council®), entidade que assegura que as matérias-primas são provenientes de florestas geridas de forma responsável.

SUSTAINABILITY

Environmental and social responsibility has been among our great concerns and motivated us to develop and achieve the FSC chain of custody Certification in 2012.

INOVAÇÃO

A inovação é uma contante, procurando sempre investigar, desenvolver e aperfeiçoar produtos, métodos e processos. A criação de soluções integradas, adequadas e inovadoras procurar ir ao encontro e dar resposta às necessidades e exigências dos vários mercados.

INNOVATION

Continuous investment focused on innovation and development new products, methods and industrial process. Creation modern, integrated solutions, in order to meet customer an market needs and expectations.

GRUPO VALCO

Fundado há 70 anos, o Grupo Valco é, atualmente, a maior PME portuguesa fabricante de soluções de portas interiores, portas técnicas, roupeiros e armários customizados.

Com presença em vários mercados oferece soluções adequadas a cada projecto para os mais diversos sectores, como hotelaria, habitação, educação, saúde e comércio.

VALCO GROUP

Founded and established in 1958, VALCO Group, employs 200, and is currently the largest privately-owned Portuguese SME, as manufacturers of interior and performance doors, wardrobes and closets, as well as tailor-made interior decorative fittings.

With its presence in many foreign markets, VALCO is proud to offer builders, architects and merchants a wide range of door solutions, carefully designed to respond to the most demanding projects and budgets in such different sectors like residential, hospitality, education, health, senior homes or commercial sites.

O Grupo-Valco oferece um conjunto de soluções, adequadas às exigências da tipologia e necessidades integradas com projecto. Valco Group offers a wide range of door solutions, carefully designed to meet most demanding integrated projects needs.
